

MOVIE WEEKEND

Kate a hilariously hammy romp

From **Kim Me**
Hailed Wiseman is made hammable fan under musical director David Fryer's tight control.
My only complaint about *Kim Me*, aside from the composer's Cal Peter filled the show with his trademark bar songs, which finally get more than their fair share of attention on the same night, and he was even set for an in-between, is that it's really hard to see the story of a Broadway stage production. The story of a Broadway stage production, that is, the film of a Broadway stage production, that is, the film of a Broadway stage production, that is, the film of a Broadway stage production.

Donald Cerrone, Scott Hovey and Jennifer Peelle star in *Kim Me*.

HARRISON FORD LIAM NEESON
"A MASTERPIECE! YOUR EYES WILL NEVER LEAVE THE SCREEN!"
"...A COMPELLING PSYCHOLOGICAL DRAMA AND A SUSPENSEFUL THRILLER. A HIGH-CLASS TREATMENT TO THE CRIME AND LITERY OF THE GENRE WILL BE BEING ONE HELL OF A WICKED RIDE FOR THE AUDIENCE."
"...ITS ATTENTION TO DETAIL, REALISTIC SUSPENSE AND STRONG WORK FROM ITS LEADS MAKE IT MORE THAN SEAWORTHY."
"AN EXPLOSIVE, HEART-POUNDRING FILM."
"TWO THUMBS UP!"
"...A SUPER CAST DELIVERS THIS INCREDIBLE STORY FROM THE OTHER SIDE OF THE COIN."

CATCH IT AGAIN WITH THE WHOLE FAMILY

"HERE COMES A TRULY INSPIRED ANIMATED FEATURE."
Funny, snappy, starting, original and with its songs by Elton John, *LILO & STITCH* is DIFFERENT.

"HOT! IT'S FRESH AND NEW AND DIFFERENT."
I love the use of watercolor... and the celebration of Hawaiian culture.

"A MAGICAL MARVEL... celebrating family and friendship. The perfect mix of action and heart."
Disney's **LILO & STITCH**
